We are a charitable non-profit organization. We request an adoption fee of **\$575.00** for our dogs. Please send a non-refundable deposit of **\$100.00** with this application. **The balance of \$475.00 is due when you receive your Greyhound.** GiNA will incur considerable costs in securing your Greyhound. The adoption fee helps cover our investment in securing, evaluating, transitioning and vetting each Greyhound. This fee also includes your first calendar year's GiNA membership. Part of the adoption agreement stipulates that this adoption fee is non-refundable.

Upon receipt of your application and deposit, you will be contacted and provided with a step-by-step outline of the adoption process.
